| Last Date & Time of submission of Tender | 25/05/2021 at 12:00 Hrs. (IST) |
| Bid opening Date & Time | 25/05/2021 at 12:15 Hrs. |

Qualifying Requirements / Eligibility Criteria :

Financial Capability:

1. Bidder should have Minimum average annual turnover (MAT) of **Rs. 13.56 Lakhs** in preceding three (03) Consecutive Financial years.
 - Average annual turnover shall be determined taking into consideration turnover of preceding three consecutive financial years. Other income shall not be considered for arriving at annual turnover.
 - Audited annual accounts along with auditor's report of the bidder should be furnished in support of the same. Where audited annual account is not mandatory as per the law, the bidder has to submit annual financial turnover during the consecutive last three (03) years, ending 31st March of the previous financial year duly certified by CA.

Technical Capability:

2. The bidder should have valid (up to date) ISO: 9001-2008 (or above) certification as on bid opening date.
3. Bidder should have experience of having completed **similar work** in India in any Public Sector Undertaking / Government / Semi Government organization or joint venture thereof / Company registered under Companies Act during last 7 years ending last day of month previous to the one in which offers are invited. Value of such work order shall be either of the following :
 - a. Three similar completed works each costing not less than to **Rs. 13.56 Lakhs**
OR
 - b. Two similar completed works each costing not less than to **Rs. 18.08 Lakhs**
OR
 - c. One similar completed work costing not less than to **Rs. 31.64 Lakhs**

Similar Work means: *Word Order / Orders which includes "Overhauling / Repairing, Testing & Commissioning of oil filled Transformer of rating 10 MVA or more with voltage level 132 KV or more"*

- Completed Work means the executed/completed portion of Work Order/AMC/RC, even if the work has not been completed in totality (subject to furnishing proof of executed value of work in the form of certified copies of RA Bills) along with successful work execution certificate (by the concerned authority)
4. The bidder must submit Satisfactory Work Execution / Completion Certificate(s) for the work (s) for which copy (copies) of work order (s) is (are) being submitted as given above issued by the competent authority.

5. In support of their eligibility and experience, the bidder is required to submit self attested photo copies of work orders & completion certificates (by the concerned competent authority) along with the techno-commercial bid. In addition, bidder shall submit a self declaration as per format at **Annexure-VI**.
6. The bidder shall submit self certified copies of the following:-
IT Return (*Latest*), Copy of EPF, ESI Certificate, Valid (up-to-date) Electrical License for conducting contractual jobs of electrical nature or proof of application for renewal of the same, Partnership Deed / Affidavit for Proprietorship / Memorandum & Articles of Association, including changes in the Constitution of the Firm, (if any) and Copy of GST registration certificate).
7. The bidder shall submit acceptance for finalization of rates through Reverse Auction as per **Annexure**.

General Terms & Conditions:

1. Offer shall be accompanied with Earnest Money Deposit (EMD) in the form of Demand Draft / Pay Orders / Bankers Cheque Payable at Bokaro Steel City or Bank Guarantee having validity for one (01) year, from any Nationalized Bank / Scheduled Bank except Co-operative Bank drawn in favour of **Bokaro Power Supply Company (P) Ltd.** as per format available at our website: www.bpscl.com. Earnest Money can also be deposited online in our account through NEFT/RTGS/SWIFT/TT Remittance, details of which are given below. The proof of such transfer shall be submitted with the offer in the envelope titled "Earnest Money Deposit".

Banker Details as under:

| | | |
|------------------|---|---|
| Name of Bank | : | STATE BANK OF INDIA |
| Branch Name | : | SME BRANCH, Sector 4, Bokaro Steel City |
| Bank Account No. | : | 35665021458 |
| IFSC Code | : | SBIN0004231 |
| Bank A/c Type | : | Current Account |

In case of forfeiture of EMD by BPSCL, you will be required to reimburse the applicable GST to BPSCL.

2. In place of EMD, Bidders shall have the option of submitting a Bid Securing Declaration on their firm's letter head accepting that if they withdraw / modify their Bids during the period of validity without assigning any valid reason for the same or refuse to submit Performance Security / Performance Guarantee as per the relevant Clause of this tender enquiry or refuse to accept the price quoted by them in Online Price Bid / Reversed Auction within the period of validity of the same or refuse to sign the Contract Agreement upon emerging as the successful bidder, they will be suspended for a period of one year from being eligible to submit bids against tender enquiries of BPSCL. A Format of Bid Securing Declaration is provided at **Annexure X**.
3. However, Micro & Small Enterprises (MSEs) / PSU /Govt. Undertakings and Co-operative societies will be exempted from submission of Earnest Money as per government policy. For MSEs, the exemption from submitting Earnest Money will be granted only on submission of valid copy of Udyam Registration Certificate. SSI/NSIC certificate holders should also submit Udyam Registration Certificate. Further, unit claiming exemption is required to submit copy of Udyam registration certificate clearly indicating the item category for which they are registered.
4. **Offers not accompanied with Earnest Money Deposit (EMD) (as per clause 1) or Bid Security Declaration (as per clause 2) or documents for exemption (as per clause 3) will be treated as INVALID.**
5. Consortium bids will not be considered unless the provision for consortium is specifically mentioned in Tender Document.
6. If you withdraw your bid after opening of bids without giving any satisfactory and acceptable explanation thereof, you shall be debarred from participating in any tender of BPSCL for a minimum period of 01 (one) year and your Earnest Money will be forfeited.
7. **SUBMISSION OF PERFORMANCE GUARANTEE BOND FOR QUOTING UNWORKABLE RATE:**
If you quote unworkable rates, i.e. if the quoted price is less than **75%** of the estimated price and is considered for placement of order, you will be asked to justify the rate quoted. On non acceptance of justification / refusal of the same, you will be asked to furnish Performance Guarantee Bond in the form of Bank Draft/Bank Guarantee. The amount of Performance Guarantee Bond will be equal to the difference between **75%** of estimated price and your quoted price. In case you refuse to give Performance Guarantee Bond, your Earnest Money will be forfeited and you will not be considered for participating in any kind of Tender for next 01 (one) year from the date of issue of letter to you, if order / contract is not finalised from the present tender.

In case of forfeiture of Performance Guarantee Bond, you shall be required to reimburse the applicable GST to BPSCL.

8. **Handling of Earnest Money:**

- Earnest Money will be refunded to the un-successful bidder after determination of L1 Bidder and no interest will be paid upon the same. You are requested to provide Bank Details for refund of EMD.

9. **RATE FINALIZATION**: BPSCL reserves the right to finalize the rate through either of the following modes:

- a. Opening of Online Price (*submitted on www.buyjunction.in*) submitted at the time of techno-commercial bid.
- b. Through Reverse Auction to be conducted by our service provider **M/s. mjunction**.

Note: BPSCL may ask techno-commercially accepted bidders to submit decrement in percentage (%) on their online price submitted at the time of techno-commercial bid. On line price bid alongwith % decrement shall be considered together in case online price bid is opened.

10. **BPSCL reserves the right to :**

- a) Re-tender / extend the due date of submission of offer.
- b) Accept or reject any offer / all offers in full or part at any time at any stage without assigning any reasons and without any compensation thereof to the bidders.
- c) Modify the tender documents at any stage before the due date of tender.

Note:

1. Tender documents are to be downloaded from **Website: www.bpscl.com** only.
2. Bidders are requested to visit above website regularly for any addendum / corrigendum / extension till opening of the NIT. **Any such changes shall not be published through Press advt.**

GM I/c (MM)
Bokaro Power Supply Co. (P) Ltd.
Hall No.M-01, Old ADM Building
Ispat Bhawan, Bokaro Steel City – 827001
Ph: 06452 240380, Mob: 8986874119

*** PROCESS FOR ONLINE SUBMISSION OF SEALED PRICE :**

1. Online sealed Price Bid (% above / % below) through URL : <http://www.buyjunction.in>

The process of submission of Online Price bid is as detailed hereunder-

Step 1: Type <http://www.buyjunction.in> in the internet explorer.

Step 2: Click on Login (present on Top right side of the Page)

Step 3: Click on **View Live Auctions and Tenders**.

Step 4: In the right side open/ global tenders link will be displayed.

Step 5: Click on the link for the above mentioned tender link present under Open tenders

Step 6: Click on new user if you are not registered in buyjunction earlier. Click on Existing user in-case you have already registered in buyjunction earlier. Existing users can login with their user id and password.

Please note foreign bidders are required to select their bidding currency from the drop down menu available before proceeding further (where ever applicable).

New Users:

Steps to get your **User ID** and **Password**

1. Click on the required tender link under “**Open Tenders**”
2. Choose your Auction currency in-case any option is coming to select currency. Click on “**New User**”
3. Fill up the “**Registration Form**” and click on “**Submit**”. All fields marked with (*) are mandatory fields.
4. On submitting the filled-up registration form, an auto generated email will be sent to the email address you have mentioned in the registration form containing your User ID and Password.
5. Changing of password on first login is compulsory.
6. On receipt of the User ID and Password you become an **Existing User**. Now follow the steps of existing user to login to the auction site.

Existing Users

1. Click on the required tender link under “**Open Tender**”
2. Click on “**Existing User**”.
3. Log in with your existing user id and password for placing your bid.
4. Read through the “**Bidding Procedure**” to proceed further for bidding.

Bidding Procedure

After logging in with your user id and password you have to accept the “**Auction Terms**”.

Steps to accept the “Auction terms”:

1. Click on “**Auction Terms**”.

2. Then click on “**View term without DSC**”
3. Click on the relevant auction terms appearing under “**Term**” column.
4. Select the check box on the left-side of the relevant auction terms.
5. Click on the button besides “**Accept**”.
6. Then click on “**Submit**”.
7. A message will be displayed to you mentioning your acceptance to terms for auction.
8. It is mandatory to accept the terms of online bidding in order to proceed for submission of bid.

Steps to Submit Price Bid

1. Click on “**Bids.**”
2. Then click on “**Live Auction.**”
3. Put your login password as transaction password
4. Select the auction id and click on add to watch list.
5. Now the bidding screen is visible.

6a. For Template Bidding

1. Click on **Icon “T”** on left column of bidding screen (Which will appear separately **for each lot**).
2. A template form will open where you need to fill up the price & click on evaluate at the bottom
3. If you want to quote the evaluated price then click on “**confirm**”.
4. After clicking on the confirm button of the template window, your price will appear in the “**New Bid**” box.

6b. For Non-Template Bidding

1. Fill your Price in the “**New Bid Box**” visible on the bidding screen.
2. Select the check box at the extreme left of the bidding screen
3. Click on “**Submit**” button placed at the bottom left of the screen.

5. You will see “**Bid Accepted**” in the “**Result**” column. This indicates that your bid is accepted and registered in the system.

Steps to take a print-out of the receipt

1. Once you have placed your bid, to download Bid Receipt, kindly click on “**Download**”.
2. Then click on “**Bid Receipt for Open Tender**”.
3. Select the auction to generate receipt.
4. Take print out of the same market-wise (Term List)/ item-wise (Auction list).

Note: For any clarification on the bidding process please contact

Mr. Anjan Buda- 9163348263 - anjan.buda1@mjunction.in

Ms. Debalina Maity - 8336991451 - maity.debalina@mjunction.in

Ms. Bingyasini Pradhan – 9163348173 – pradhan.bingyasini@mjunction.in

Ms. Priyanka Muzumdar – mazumdar.priyanka@mjunction.in

Mr. Mukesh Kumar Singh- 8873002741 – mukesh.singh@mjunction.in

A copy of System generated **acknowledgement-slip** for Online submission of sealed price bid is to be submitted along with Techno-commercial Bid.

1.02 Tender Validity Period

Validity of the offer shall be **Four (04) months** from the bid opening date. In case of extension of "Bid Submission Date", the validity will be counted from the extended bid opening date.

1.03 General Instructions:

- i) You shall have to quote price in any of the two options given below:

Percentage ABOVE with respect to Total Estimated Cost excluding GST
OR

Percentage BELOW with respect to Total Estimated Cost excluding GST

- a) If you do not quote price in terms of percentage or quote in more than one option, your offer will be rejected.
- b) In the tender schedule at the place where you have to quote PERCENTAGE, ‘**above**’ will mean mathematically **positive** and ‘**below**’ will mean **negative**.

- c) The Lowest-1 (L-1) Bidder will be the one whose PERCENTAGE is mathematically lowest and all other Bidders will be ranked/termed as Lowest-2 (L-2), Lowest-3 (L-3) and so on, in the increasing order of PERCENTAGE quoted by them.
- ii) You are requested to visit site for actual assessment of the job before submission of offer.
- iii) You shall clearly indicate that your quoted prices shall remain firm in all respects till execution of the work order.
- iv) Any conditional offer or offer having deviations is liable to be rejected.
- v) You have to submit Tender document bearing your signature and seal on all the pages along with Techno-Commercial Offer / consent on NIT's Terms & Condition. Otherwise, it will be presumed that you do not accept our terms and conditions and this may lead to rejection of your offer forfeiting your claims if any.
- You are advised to mention page no. on each page of documents submitted by you. BPSCL shall not bear any responsibility in case of any loss of documents submitted by the bidder during tender opening or thereafter.
- vi) If you are a Firm or Company, then you shall, in the forwarding letter, mention the number and names of all the partners & shall sign before submitting the same, unless the Power of Attorney holder has specifically been authorized in this respect.
- vii) Price or any indication of price shall **NOT** be mentioned in the Techno-Commercial Bid.
- viii) The sealed tenders received will be opened on scheduled opening date and time in the office of Material Management, in presence of such bidders who might choose to witness the same
- ix) In case the date of tender opening happens to be holiday, the tender will be opened on the next working day at the same time.
- x) Communication regarding date of Opening of Price-Bid to individual communication to the techno-commercially eligible bidders will be sent only to their e-mail address given in the tender documents.
- xi) Offers from two or more bidders shall summarily be rejected if they have any of the following parameters in common:
- a) Same PAN
 - b) Same GST Number
 - c) Same Postal address
 - d) Same E-mail ID
 - e) Same Mobile number
 - f) Same person signing in more than one offer/representing more than one bidder.
- xii) BPSCL reserves the right either to reject any/all the tenders without assigning any reason thereof.

GENERAL TERMS AND CONDITIONS

1. You are requested to visit site for actual assessment of the job before submitting of your offer.
2. You shall make yourself fully conversant with the actual site condition, nature of subject job(s) to be executed and terms and conditions of contract, cost of all the input materials and facilities, cost of labor, transport, incidentals, royalties etc. or any other taxes and duties before submitting the tender.
3. You will have to arrange necessary Gate Passes for your workmen.
4. You will have to deploy proper category of manpower for execution of the job.
5. You have to comply with all labor laws, ESI Act, EPF rules & AWA rules applicable in the Industry.
6. You will have to strictly adhere to the provision of various labor laws including Payment of Bonus Act 1965.
7. **Payment Default Clause:** You must ensure that payment is made to the workers as per provisions of Payment of Wages Act and CLC norms failing which BPSCL shall make payments to concerned workers directly. The amount so paid along with 15% of Administrative cum Service charge shall be deducted from any of the concerned Contractor's bill. If the provision of Payment of Wages Act is not adhered to second time, the Contractor shall be liable for banning of business dealing with BPSCL as per procedure in Vogue. Such Contractor shall not be permitted to work in BPSCL through sub-contracting also for the banning period.
8. **You have to pay your workmen as per circular / notification published by the State Government in regard to rates of payment of VDA in vogue.**
9. You will have to pay an additional amount of **Rs.4/-** to every worker engaged by you for the subject work over and above their daily minimum wages, as per BPSCL rules.
10. **AWA CLAUSE:** You shall have to pay an amount of Rs 96.15 per day on actual attendance per month (not exceeding Rs 2500/month) to the workers engaged by you in this job as Additional Welfare Amenity (AWA) as per relevant circular/notification of BPSCL.
11. You shall execute the work in compliance with the provisions of contract and contract Technical Specification and/or design drawings furnished by BPSCL in terms of the contract and as per codes and standards specified therein, wherever applicable.
12. Supervision of the work is your responsibility. Inspection of executed work will be done by Site Engineer/BPSCL.
13. If situation demands, you will have to execute the work round the clock.
14. After completion of work, Engineer-in-charge or his representative will review the work(s), you will have to rectify any defect, if found, at no extra cost.
15. You shall remove all debris, surplus materials, etc., if any, and dump the same at place as directed by the Engineer-in-charge.
16. All the applicable taxes will be deducted from your bills.
17. During contract period there will be no consideration for idle & escalation charges.
18. You will be fully responsible for any sort of unsafe activity of your workmen and all your workmen should be trained for operational safety and to avoid fire hazards of Power Plant and must have proper safety certificates issued by BPSCL before start of work.
19. You will have to follow and observe the safety & statutory requirements and comply with all safety rules & regulations applicable in the plant area as per Booklet of Safety rules for BPSCL contractors. If you are not having that booklet, same may be collected from the safety department with a request letter.
20. For working at height, you shall produce medical fitness certificate for your workmen. Height passes to be obtained from safety department, if required.
21. All the working tools & tackles, men, material etc. and safety appliances like personal protection equipment are to be provided to your workmen by you at your own cost. All safety appliances of reputed make are to be provided by you to your workmen in presence of Safety Officer of BPSCL. The list and make of safety appliances may be obtained from safety office.
22. In case any documents/information submitted by you are found to be false or containing any misrepresentation or having any fraudulent declaration in it then in such eventuality EMD will be forfeited and legal action (including cancellation of contract, banning of business dealing, criminal proceedings etc.) as deemed fit may be initiated by BPSCL against you.
23. **GST RELATED CLAUSES:**
 - a. You should quote GST as extra. If not mentioned in offer it will be considered as extra.
 - b. You have to pass on the tax benefit/savings, if any, on account of output taxes to BPSCL.

- c. You shall agree to do all things not limited to providing GST invoices or other documentation as per GST Law relating to the above Services, payment of taxes, timely filing of valid statutory returns for the tax period on the Goods and Service Tax Portal etc. that may be necessary to match the invoice on GSTN common portal and enable BPSCL to claim input tax credit in relation to any GST payable under this agreement or in respect of any part under this agreement.
 - d. In case the Input Tax Credit of GST is denied or demand is recovered from BPSCL on account of any non-compliance by you, including non-payment of GST charged and recovered, you shall indemnify BPSCL in respect of all claims of tax, penalty and/or interest, loss, damage, costs, expenses and liability that may arise due to such non-compliance. Further, in case of any differential tax liability on account of any wrong classification/valuation etc. by you, BPSCL will not be liable to reimburse any part of such differential tax, interest, penalty etc. It will be your responsibility to discharge appropriate taxes, as applicable.
 - e. You have to maintain high GST compliance rating track record at any given point of time.
24. **Banning of Business Dealings:** On arising of any situation or occurrence of any event as mentioned in Clause 6 of the Guidelines on Banning of Business Dealings, you shall be liable for action under and in accordance with the aforementioned Guidelines. The “Guidelines on Banning of Business Dealings” shall form part of the Tender/Contract and can be viewed on our website www.bpscl.com.
25. **RISK AND COST:** Failure on your part to start the work within reasonable time/ the progress of the job is poor/ for any breach of contract will entail termination of the Contract. In such an event, the job will be executed at your risk and cost by alternate arrangements.
26. **SAFETY CLAUSE:** You shall be liable for penalties mentioned below for violation of safety norms:
- i. Up to Rs.5000/-by Head of safety Engineering Department /Head of the Department where work is being done for 1st violation of safety norm, non-use of PPEs (Personal Protective Equipment) like safety shoes, hand gloves, safety helmets, goggles etc. as per work requirements by You or your workers. This condition is applicable in case of violations of Road Safety norms also.
 - ii. Fine up to Rs. 20,000/- on 2nd Violation as mentioned in clause (i) above
 - iii. You shall be debarred for one year / deregistered from taking up further contractual work in BPSCL from the date of issue of debarring / deregistering order on 3rd violation as mentioned in clause no. (i) above.
 - iv. Fine up to Rs. 10,000/- for violation in use of Full Body Harness by you or your worker for working at height (above 1.8 meter from immediate floor).
 - v. Fine Rs. 25,000/- (minimum) to Rs. 50,000/- (Maximum) for serious injuries and disabilities caused by violations as mentioned in Clause No. (i) and (iv) above.
 - vi. Independent of the above, You shall be fined Rs. 1,00,000/- (1 Lakh) or more and debarred / deregistered from taking up further contractual work in BPSCL from the date of issue of debarring / deregistering order in case any Fatal accident occurs due to violations as mentioned in Clause (i) and (iv) above.
27. **FORCE MAJEURE:** You shall not be considered in default if delay occurs due to causes beyond your control such as acts of God, natural calamities, civil wars fire, strike, frost, floods, riot and acts of unsurpassed power. Only those causes which have duration of more than seven days shall be considered in force majeure clause. In the event of delay due to such cause the delivery / completion period will be extended for a length of time equal to the period of force majeure without imposition of LD at the option of BPSCL.
28. **Work accident**
- a. You will be fully responsible for the safety of the workers employed by you. In the event of any work-accident, major or minor, your representative must take care of the injured person immediately and provide him the required treatment as suggested by the doctor. If you or your representative is not available for medical care, the injured worker will be treated in Bokaro General Hospital and the cost of treatment will be recovered from you.
 - b. You shall be fully responsible for making payment of compensation to your own workmen in respect of any accident or injury occurring to them. BPSCL will in no way be responsible for it and will remain indemnified against all such claims of compensation in such cases.
29. **You shall also maintain all records/register/return/cards such as:**
- i) Register of workmen employed by contractor
 - ii) Employment card
 - iii) Muster Roll
 - iv) Register of wages-cum-muster roll
 - v) Submission of Return
 - vi) Order book

Refitting of all the fittings of the transformer such as HT & LT Bushings, conservator, explosion vent/PRV, Buchholz relay, radiators, top cover, inspection cover etc. including tap changer.
11. Drying out the transformer by alternate cycle of vacuum pulling, heating and N₂ gas filling. Plotting time/temp- IR curve. Obtaining dew point to desired value.
12. **Filtration of oil:** After the drying out cycles are over, the Oil to be filled in the Transformer filtered till the oil BDV & water content value are achieved as required by IS 1866 – 1983. During this final filtration a separate degassing column with separate vacuum pump should be used to get better dehydration of oil. The filter machine used for filtration should be multi stage, high vacuum machine of minimum 6000 LPH capacity. After filtration the oil will be tested for BDV in presence of BPSCL Engineer at site. The BDV value should meet requirement as per IS 1866-1983.
13. Final testing of transformer and accessories as per the list given below:
 - a) Testing of oil leakage/seepage and free oil circulation.
 - b) Testing of tap changer.
 - c) Testing of oil
 - i. BDV
 - ii. Acidity
 - iii. Water content
 - iv. Resistivity
 - v. Tan Delta

- vi. Sludge content
 - vii. DGA
- d) IR & PI
 - e) Magnetic balance
 - f) Vector Group
 - g) Winding Resistance
 - h) Tan delta test of transformer & bushing.
 - i) Testing of WTI, OTI and oil level indicator.
 - j) Testing of Buchholz relay.
14. Shifting back the repaired transformer from repair bay to its foundation.
 15. Connecting the transformer to HV, LV & Neutral side. Connecting the breather and filling the new silica gel.
 16. Connecting all AC/DC control circuit. Testing the electrical operation of tap changer. Testing of Alarm and tripping circuit.
 17. Charging the transformer and observation on different load conditions.

SPECIAL TERMS & CONDITIONS:

1. Contractor shall have to execute overhauling job of transformers at BPSCL premises.
2. **Guidelines regarding performance of work:**
 - i. The contractor will perform the subject work in accordance with the guidelines contained in the work order, the instructions of the Engineer In-charge, latest technical specifications & IS codes of practice.
 - ii. All incidental items of work not shown or specified but reasonably implied and found to be necessary for successful completion of the work shall be deemed to be included in the scope of work at no extra cost to BPSCL.
 - iii. In case of any doubt or contradiction, the decision of BPSCL will be final.
3. **Erection of temporary shed:**

Contractor shall have to erect temporary dust and water proof shed to cover the transformer to prevent ingress of dust and water.
4. **Supply of Transformer-oil:**

Required quantity of transformer-oil needed to be filled up in the transformers will be supplied by BPSCL.
5. **Material out-pass and Gate-pass for the working personnel:** The Contractor will have to arrange the required 'Material out-pass', 'Photo Gate-pass' for working personnel, 'Vehicle pass' and the 'Permission for working on Sundays / Holidays & during night hours', etc. after fulfilling the formalities as laid down by the BSL/BPSCL as well as CISF pass-section authorities.
6. **Medical fitness of employees:** The Contractor will have to ensure medical fitness of the employees employed by them.
7. **Work permit:** As the area of work is highly sensitive with respect to safety hazards, the deployed supervisor / engineer of the contractor must take proper 'Permission to work' (work-permit), shutdown clearance and follow the instructions of the Engineer In-charge, BPSCL, before commencement of the work.
8. **Deviations and Exclusions:**
 - i. The contractor will have to comply with all the terms and conditions without any deviation and exclusion as described under the head 'Special conditions of contract'.
 - ii. Thorough inspection of the windings & core inside the main tank of the transformer will be done jointly by the Engineer in-charge, BPSCL, and the representative of the contractor, to find out any surprise element of repair or replacement or other work which is not covered in the scope of work. During such a joint inspection, if physical inspection and / or test results reveal any such surprise element of extra work, the same will be specified in detail, quantified & noted in the MOM / Report of the joint inspection. The Contractor will have to quote for the extra work not covered in the original scope, with proper justification of the quoted price, and seek approval for the extra work to be done at a mutually agreed price. The additional job (not covered in the original scope) will be taken up by the contractor only after due approval of the same by BPSCL.
 - iii. Normally there will be no exclusion from the detailed scope of work, unless specifically decided and noted in the MOM / Report of the joint inspection, with justifications, whereupon payment of the cost corresponding to the excluded portion of work will not be made.
9. **Preservation and Custody:** The contractor will be solely and exclusively responsible for the safety and security of the transformer(s) during shifting to and from the foundation / position of safekeeping, and during working. Hence, sufficient precautions are to be taken by the contractor to protect the transformers against any type of theft, damage or deterioration due to carelessness, accident, adverse weather condition, etc.

Dismantled parts of the transformers will have to be kept under the custody of the contractor at the site in a clean container covered properly. Safety against theft and pilferage of all such dismantled parts, coming under the job-jurisdiction, will be the responsibility of the contractor.

10. **Guarantee Clause:** The workmanship is to be guaranteed for a period of 06 (Six) Months. In case of any defects arising out of bad workmanship within the guarantee period, the defects will have to be rectified free of cost by the contractor.
11. **Inspection:**
- i. All the jobs being done are liable to be inspected by the engineer in-charge of BPSCL at any stage whatsoever.
 - ii. Testing (before starting & after completing the job, or at any other stage of the job, if so needed) will have to be done in presence of the engineer-in-charge of BPSCL, who will certify the test-results to be acceptable as per norms.
12. **Precautions to be taken while carrying out oil filtration job of the transformers:**
- i. During heating, filtration and handling of the transformer-oil, safety norms are to be strictly followed by the contractor to avoid any fire-hazard or equipment- damage due to overheating or oil-spillage.
 - ii. While carrying out transformer-heating and oil-filtration job, the oil filtration machine is to be manned by skilled and experienced persons round the clock.
 - iii. The oil filtration machine (minimum capacity 6000 Litre / Hrs with multi stage ultra high vacuum pump) is to be arranged by the contractor.
13. **Materials & Resources Required for the job:**
- i. All the materials required for entire the job like cork gaskets, insulation, nitrogen gas (of required purity & pressure), gas filling device & tubes, pressure regulators, pressure gauges, heaters, sensors, digital temperature indicators, paint, tools, tackles, load handling & lifting equipments like slings, ropes, D-shackles, Hook-chook, etc. are to be properly tested and supplied by the contractor.
 - ii. All the resources like manpower, etc. are to be arranged & deputed by the contractor.
 - iii. All the instruments, devices & equipments like testing instruments / meters, oil filtration machine (which should be of minimum capacity 6000 Litres / Hr with multi stage ultra high vacuum pump), oil storage tank, wiring, probes, connectors etc., are to be arranged & transported to the site by the contractor.
 - iv. BPSCL will provide only the following free of cost inside the BPSCL premises :- (a) LT power supply; (b) Drinking Water (c) Light capacity crane, hydra and Trucks ; (d) Spare parts needed, (e)Transformer oil (e) Ladders.
14. **Supervision of the Job:** Supervision of the entire job is solely the responsibility of the contractor, who will be held responsible in case of any sort of major or minor indecent / illegal / unworthy incident(s), unsafe activity (activities), and also acts which may adversely affect equipment, or plant production, if such incident(s), activities, acts are caused by the manpower employed by the contractor during execution of the job.
15. **Submission of Detailed Documents:** The contractor will submit the following plan / reports to Engineer in-charge/BPSCL :
- i. Detail plan prior to start the job.
 - ii. Jobs done report.
 - iii. Test report in respect of the transformer to be dried out & commissioned.
 - iv. Installation & Commissioning report in respect of the transformer.
16. **Payment Terms :**
- 97%** of contract value of each transformer will be paid after the successful overhauling, testing & commissioning duly certified by Engineer – in – charge and balance **03%** will be retained as security which will be released after successful completion of guarantee period. If commissioning of any transformer is delayed due to reason attributable of BPSCL then same amount will be released after 12 months of completion of overhauling job duly certified by Engineer – in – charge.
- If the commissioning of any overhauled transformer is delayed beyond three months due to reason attributable to BPSCL then this amount will be released.

The expression satisfactory execution of the order shall mean fulfillment of all obligations arising out of and in connection with the Contract. In case of default in satisfactory execution of the order, the security deposit shall be forfeited.

Amount of penalty and/or Liquidated Damages imposed (if any) will be recovered from Bill / Security Deposit. If the amount of Bill / Security Deposit is not sufficient, the bidder will be required to pay the balance amount to BPSCL. If you do not pay the balance amount, the same shall be deducted from any sum or sums which may be due or may become due to you from BPSCL on any account whatsoever.

17. **Penalty Clause:**

1. If the work is delayed beyond the job completion period, a penalty @ $\frac{1}{2}$ % of the contractual value of the delayed portion of job per week of delay, subject to a maximum limit of 5% of the entire contractual value, will be imposed.
2. In case of delay in commencement of the work beyond the given time period, a penalty @ Rs. 10,000/- per day will be imposed.
3. If any part(s) or whole of the transformer is damaged or lost due to negligence of handling or improper / unsafe working, the same is (are) to be replaced by the contractor free of cost. If such part(s) or whole is (are) not replaced by the contractor, requiring replacement by BPSCL, the cost of the same will be recovered from the final bill submitted by the contractor.

PRICE BID / RA FORMAT

Special Instruction –

1. In the event of L1 Bidder backing out prior to placement of order, in addition to forfeiture of EMD, the bidder shall be suspended for a period of 01 (one) year from the date of issue of suspension order.
2. Breakup (*as per given format*) shall be submitted by the L1 bidder. In case of refusal of L1 bidder to submit the same, EMD will be forfeited and the bidder shall be suspended for a period of 01 (one) year from the date of issue of suspension order.
3. **Price Basis: L1 bidder will be decided on mathematically lowest percentage.**

ENVIRONMENT, HEALTH AND SAFETY**EHS (Environment, Health and Safety) Clause for contracts where overall site is under BPSCL control****Your Responsibilities**

You shall during the entire term of contract undertake to perform the following obligations relating to environment, health and safety:-

1. Ensure that your workforce is not exposed to asbestos or asbestos containing atmosphere.
2. Take suitable control measures to ensure that the workers are protected from dust emission.
3. Monitor and ensure that the working area is free from any toxic gas, vapour and fume. Take adequate measures to reduce level of concentration below permissible limit. Exposure to any particular toxic gas, vapour or fume shall not exceed the maximum permissible limit prescribed in local regulation for any particular period of time. Ensure adequate ventilation and no immediate danger to life and health of personnel working at site.
4. Ensure that there is no flammable atmosphere and uncontrolled fire hazard in and around the work place. In case it is required to work in flammable atmosphere, implement safe working procedure and suitable control measures in order to work safely.
5. Ensure that the workers are protected from excessive noise and heat. Take adequate measures to reduce noise/heat level below the permissible limit.
6. Ensure safe access and egress in and around work place. Ensure proper maintenance of platforms, staircases, ramps etc. special care and all safety measures should be taken while working at height. Roof work and access to roofs must not be undertaken without prior permit.
7. All Personal Protection Equipments supplied by you should be of internationally recognized standards. All tools and tackles bought by you for use during the contract period should have proper and valid certification by competent authority.
8. All lifting equipment, tools and accessories provided by BPSCL should be maintained and returned by you in sound condition after the completion of contract period.
9. Ensure that the illumination in and around workplace and access areas are maintained properly. Make sure to switch off the light, fan and air conditioners after use.
10. You must ensure that all machinery and equipment are provided with earth fault circuit breakers at all times when using electrical leads. Use of electrical tape for temporary repair is prohibited.
11. Guards and covers for equipment/machineries are to be provided where ever necessary.
12. Gas cylinders shall be securely stored, transported, identified and used in line with legislation and EHS requirements.
13. Fire extinguishers and other fire fighting equipments provided in different locations should never be misused.
14. You must ensure optimum use of water with minimum wastage.
15. You shall ensure that the work area is kept clean, tidy, & free from debris. You are also fully responsible for protection of ground and underground from pollution.
16. Identify and highlight potential hazards / risks existing.
17. Ensure suitable corrective actions are implemented for identified issues.
18. Provide adequate emergency and first-aid facilities and it should be available in all shifts.
19. All your workers should be trained and communicated about the onsite emergency and evacuation plan.
20. All equipments and plant should be maintained in safe condition.
21. You and your personnel admitted to site must conduct themselves in an orderly and safe manner and conform at all times to the EHS Requirements. Fighting, engaging in horseplay, being under the influence of or possessing alcohol or drugs, gambling, soliciting, stealing, immoral or otherwise undesirable conduct is not permitted and shall not be tolerated. Upon knowledge of such conduct, BPSCL shall exclude the concerned person from the site and take all other appropriate measures as deemed necessary. BPSCL reserves the right to perform random drug and alcohol tests.
22. You shall immediately notify BPSCL of any environmental incident, injury, illness, near-miss, unsafe condition or practice and any loss or damage to property, including incidents related to the your personnel. An investigation report assessing the root cause, corrective action, and preventative action shall be submitted by to BPSCL within 24-hours of the incident's occurrence.
