Sub: Hazardous material annual return (FORM – 4) & Hazardous Waste Manifest (FORM-10)  
for FY 2022-23

Dear Sir,

Enclosed please find herewith the Hazardous material annual return (FORM – 4) and  
Hazardous Waste Manifest (FORM-10) - duly filled up for the FY 2023-24 along with the  
necessary supporting documents for your kind observation & records.

Regards.

Yours faithfully,

  
08.06.2024

(A K Das)  
CGM/MM,CED & Env.

Encl: As stated.

**FORM 4**

[See rules 6(5), 13(8), 16(6) and 20 (2)]

**FORM FOR FILING ANNUAL RETURNS**[To be submitted to State Pollution Control Board by 30<sup>th</sup> day of June of every year for the preceding period April to March]

1	Name and address of facility:	Bokaro Power Supply Co. (P) Ltd., Hall No. M-01, Old ADM Building, Ispat Bhawan, Bokaro steel City – 827 001.
2	Authorisation No. and Date of issue:	JSPCB/HO/RNC/HWM-7973631/2020/55 23/12/2020
3	Name of the authorised person and full address with telephone, fax number and e-mail:	<b>Shri Aninda Das</b> , Chief Executive Officer, Bokaro Power Supply Co. (P) Ltd., Hall No. M-01, Old ADM Building, Ispat Bhawan, Bokaro steel City – 827 001. Tel.: 06542 221771; FAX: 06542 247062
4	Production during the year (product wise), wherever applicable	Steam: 1180.08 T/hr Power: 151.56 MW (Avg.)

**Part A. To be filled by Hazardous Waste Generators**

1	Total quantity of waste generated category wise:	1) Transformer Oil -nil 2) Battery – Nil 3) Waste Lubricating/Industrial Oil- 40 KL
2	Quantity dispatched: (i) to disposal facility (ii) to recycler or co-processors or pre-processor (iii) others	Nil 20 KL of used Transformer oil, (dispatched from previous year stock) & 20KL of mix industrial waste oil Nil
3	Quantity utilised in-house, if any	Not Applicable
4	Quantity in storage at the end of the year:	1) 20KL of mix industrial waste oil

**Part B. To be filled by Treatment, Storage and Disposal Facility Operators  
COMBINED WITH BOKARO STEEL PLANT/SAIL (Annexure I)**

1	Total quantity received:	}	
2	Quantity in stock at the beginning of the year		
3	Quantity treated		
4	Quantity disposed in landfills as such and after treatment:		Not in BPSCL Scope
5	Quantity incinerated (if applicable)		
6	Quantity processed other than specified above		
7	Quantity in storage at the end of the year

Sl. No	Terms and Conditions of Authorization	Compliance Status Quo
1	The authorization shall comply with the provisions of the Environment (Protection) Act 1986 and the rules made there under.	The required Environment (Protection) Act 1986 provisions at being complied.
2	The authorization or its renewal shall be produced for inspection at the request of an officer authorized by the SPCB/PCC.	Authorization obtained after inspection report.
3	The person authorized shall not rent, lend sell, transfer otherwise transport the hazardous wastes without obtaining prior permission of SPCB/PCC.	Authorization is being used specifically for BPSCl plant purpose only.
4	Any unauthorized change in personnel, equipment and working condition as mentioned in the application by the person authorized shall constitute a breach of his authorization.	No such change as mentioned in the application by the person authorized has been done.
5	It is the duty of the authorized person to take a prior permission from SPCB/PCC to close down the facility.	Permission will be sought if required.
6	An application for renewal of an authorization shall be made as laid down under these rules.	Authorization has been obtained for five years and is valid till 31/12/2025.
7	Any other compliance as per the guidelines issued by the MoEF or CPCB.	Will be complied as and when directed.
8	The unit shall submit annual return for the financial year before 30 <sup>th</sup> of June every year.	Annual return as Form No. 4 is being submitted.
9	The unit shall ensure the compliance of proposal of PRAI and shall submit manifest to the board.	Manifest as Form No. 10 has been submitted.
10	The unit shall dispose of hazardous waste through authorized recycler registered from CPCB/JSPCB and shall ensure the compliance by itself.	Disposed off through auction by M/s MSTC. Copy attached.
11	The unit shall comply all the conditions otherwise authorisation shall be revoked.	Conditions are being complied as per authorization.

(A JV of SAIL & DVC)

Hall No. M-01, Old Admn. Building IspatBhawan  
Bokaro Steel City | Jharkhand-827001

Annexure I

### Treatment Facilities and re-circulation of water supply and oil in Bokaro Steel Plant/BPSCL

Industrial Effluent Treatment Facilities: Combined for BSL and BPSCL

1. Treatment in Sludge compartment: (Under BSL)
  - a. Ash Pond: Slurry water from power plant along with concentrated sludge from BF, GCP, local circulation.
  - b. Other units of Bokaro Steel Plant
2. After settlement of the suspended particle, clarified water passes through oil catcher where floating oil is separated out. Effluent goes through Zero liquid discharge system to our cooling pond for recirculation after cooling.

Domestic Effluent/Sewage Treatment Facilities: Under BSL.

Five nos. of oxidation ponds with 3-stage treatment facility have been provided for treatment township sewage.

\*Burnt Transformer oil

Burnt/used Transformer oil is being disposed of through authorized recycler..

\*\*Spent Lubricating / Industrial Oil

Spent Turbine Oil and other lubricating oil from gear casings and machines are collected. The waste industrial oil is disposed of too authorized recycler.

\*\*\* Used Batteries

Used Batteries are being disposed off to authorized recyclers.

**Regional Officer**  
Haryana State Pollution Control Board  
Hisar Region, HISSAR

**A. General conditions of the authorisation :**

1. The authorised person shall comply with the provisions of the Environment (Protection) Act, 1986, and the rules made there under.
2. The authorisation or its renewal shall be produced for inspection at the request of an officer authorised by the State Pollution Control Board.
3. The person authorised shall not rent, lend, sell, transfer or otherwise transport the hazardous and other wastes except what is permitted through this authorisation.
4. Any unauthorised change in personnel, equipment or working conditions as mentioned in the application by the person authorised shall constitute a breach of his authorisation.
5. The person authorised shall implement Emergency Response Procedure (ERP) for which this authorisation is being granted considering all site specific possible scenarios such as spillages, leakages, fire etc. and their possible impacts and also carry out mock drill in this regard at regular interval of time.
6. The person authorised shall comply with the provisions outlined in the Central Pollution Control Board guidelines on "Implementing Liabilities for Environmental Damages due to Handling and Disposal of Hazardous Waste and Penalty"
7. It is the duty of the authorised person to take prior permission of the State Pollution Control Board to closedown the facility.
8. The imported hazardous and other wastes, if any, shall be fully insured for transit as well as for any accidental occurrence and its clean-up operation.
9. The record of consumption and fate of the imported hazardous and other wastes, if any, shall be maintained.
10. The hazardous wastes including residue generated from the recycling process shall be disposed off as per the Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016.
11. In case of the import of hazardous waste by the unit, the relevant provisions for import of the hazardous waste in the Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016 shall be complied with and the unit shall bear the cost of import or export and mitigation of damages if any.
12. An application for the renewal of an authorisation shall be made 03 months before the expiry of this authorisation as laid down under the Hazardous & Other Waste (M&TM) Rules, 2016.
13. The authorised occupier of the unit shall maintain record of hazardous and other wastes managed by him in Form 3 and prepare and submit to the Haryana State Pollution Control Board (HSPCB), an annual return containing the details specified in Form 4 on or before the 30th day of June following the financial year to which that return relates.

**B. Specific Conditions:**

1. The authorised person shall comply with the Guidelines issued by the Ministry of Environment, Forest and Climate Change or Central Pollution Control Board from

- time to time for environmentally sound recycling of hazardous waste.
2. The authorization shall cease to valid in case of expiry of the validity or suspension or cancellation of any of the existing consent under Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act, 1981 and authorization under Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016 issued by the Haryana State Pollution Control Board and shall remain invalid till consent(S)/ authorization are obtained.
  3. The authorised recycler shall submit copies of the valid consent under Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act, 1981 and authorization under Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016 also to the generator/auctioneer/seller/ sender of the hazardous waste at the time of each procurement.
  4. The authorised recycler of hazardous waste(s) and other wastes shall maintain records of hazardous and other wastes purchased/procured, in this passbook issued by the State Pollution Control Board along with the authorisation.
  5. Handing over of the hazardous and other wastes by th'e generator/auctioneer/seller/sender to the authorised recycler shall be only after making the entry into the passbook of the authorised recycler.
  6. In case of recycling of used oil/waste oil, the authorised recycler shall obtain a copy of the analysis report of the used oil/waste oil from the generator at the time of each procurement, confirming to the specifications given in Schedule-V of the Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016 and submit the copy of the same to HSPCB.
  7. The authorised occupier of the unit shall ensure that the hazardous and other wastes are packaged in a manner suitable for safe handling, storage and transport as per the guidelines issued by the Central Pollution Control Board from time to time. The labelling shall be done as per Form 8 and the label shall be of non-washable material, weather proof and easily visible.
  8. Transportation, processing, treatment and disposal of hazardous wastes shall be carried out strictly as per the Guidelines issued by MoEF or CPCB from time to time and in accordance with the Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016 and manifest system for transportation of hazardous and other waste shall be followed as per provisions of Rule 19.
  9. The hazardous and other waste which gets generated during recycling of hazardous wastes, shall be disposed off in the Common Treatment & Disposal Facility (CTDF) developed at Village Pali, District Faridabad under an agreement made with the authorized operator of the CTDF for the same.
  10. The unit shall submit quarterly reports to HSPCB giving details of hazardous waste procured and recycled, quantity of the products manufactured and sold (supported with the documents of Central Excise/ Sales Tax Departments), quantity of waste generated and its mode of disposal.

11. The unit shall take appropriate and adequate measures to control fugitive emissions such that the Work Zone standards w.r.t. the relevant parameters are met.
12. Soil and ground water from within the industry premises should be analyzed for metal parameters relevant with the type of hazardous waste recycled, once in a year through a laboratory recognized by the Board under Water Act, 1974/Air Act, 1981 or recognized under the Environment (Protection) Act, 1986, and the analysis results should be submitted by the unit to HSPCB.
13. The unit should carryout monitoring of Stack emissions and Ambient Air Quality (AAQ) w.r.t. air and noise and for Trade Effluent as applicable, for all relevant parameters prescribed in Environment (Protection) Rules, 1986 for such types of hazardous waste recycling units and monitoring reports should be submitted by the unit to the HSPCB as per the consent conditions.
14. In case of imports where permitted as per Hazardous & Other Waste (Management Transboundary Movement) Rules, 2016;
  - i. The Recycler shall submit the analysis report received from the exporter to the HSPCB each time the consignment of recyclable waste are received.
  - ii. In case of import of copper dross, copper content in the consignment of copper dross should be equal or more than 65% of recoverable copper and also lead and cadmium content in it shall not exceed 1.25% and 0.1% respectively.
  - iii. In case of import of spent cleaned metal catalyst containing copper and copper reverts, cake & residues, lead & cadmium content in the consignment should be equal or less than 1.25% and 0.1% respectively.
  - iv. In case of import of zinc ash, zinc content in the consignment should be equal or more than 65% of recoverable zinc and also lead and cadmium content in it shall not exceed 1.25% and 0.1% respectively.
  - v. In case of import of brass dross, lead content in the consignment should be equal to or less than 1.25%.
15. The authorised occupier of facility will store the hazardous and other wastes for a period not exceeding ninety days of their annual capacity and shall maintain a record of storage and recycling/ recovery/ pre-processing of such wastes and make these records available for inspection.
16. Where an accident occurs at the facility of the occupier handling hazardous or other wastes or during transportation, the occupier or the transporter shall immediately intimate the Haryana State Pollution Control Board through telephone, e-mail about the accident and subsequently send a report in Form 11.
17. At the time of submission of the application for renewal of authorization, the unit will submit a copy of the "Authorisation -cum-Pass Book", along with a statement showing point wise compliance status of all the conditions of this authorisation.
18. The Board, may, if in its opinion the holder of the authorisation has failed to comply with any of the conditions of the authorisation or with any provisions of

the Environment (Protection) Act, 1986 or Hazardous & Other Waste (Management & Transboundary Movement) Rules, 2016, cancel or suspend the authorisation for such period as it considers necessary in the public interest.

19. Additional conditions:

1. The authorized Person shall comply with the provisions of the Environment (Protection) Act, 1986, and the rules made there under.
2. The authorization or its renewal shall be produced for inspection at the request of an officer authorized by the State Pollution Control Board.
3. The Person authorized shall not rent, sell, transfer or otherwise transport the hazardous and other waste except what is permitted through this authorization.
4. It is the duty of the authorized Person to take prior permission of the State Pollution Control Board to close down the facility.
5. The record of consumption and fate of the imported hazardous and other waste, if any, shall be maintained.

2. Trade	treated through ETP & Reuse
<b>Domestic Effluent Parameters</b>	
1. NA	
<b>Trade Effluent Parameters</b>	
1. BOD	30 mg/l
2. COD	250 mg/l
3. TSS	100 mg/l
Number of stacks	1
Height of stack	

likely to cause environment pollution.

7. The industry shall comply noise pollution (Regulation and control) Rules, 2000.

8. The industry shall comply all the direction/Rules/Instructions as may be issued by the MOEF/CPCB/HSPCB from time to time.

9. The industry shall ensure that various characteristics of the effluents remain within the tolerance limits as specified in EPA Standard and as amended from time to time and at no time the concentration of any characteristics should exceed these limits for discharge.

10. The industry would immediately submit the revised application to the Board in the event of any change in the raw material in process, mode of treatment/discharge of effluent. In case of change of process at any stage during the consent period, the industry shall submit fresh consent application alongwith the consent to operate fee, if found due, which may be on any account and that shall be paid by the industry and the industry would immediately submit the consent application to the Board in the event of any change during the year in the raw material, quantity, quality of the effluent, mode of discharge, treatment facilities etc.

11. The officer/official of the Board shall reserve the right to access for the inspection of the industry in connection with the various process and the treatment facilities. The consent to operate is subject to review by the Board at any time.

12. Permissible limits for any pollutants mentioned in the consent to operate order should not exceed the concentration permitted in the effluent by the Board.

13. The industry shall pay the balance fee, in case it is found due from the industry at any time later on.

14. If the industry fails to adhere to any of the conditions of this consent to operate order, the consent to operate so granted shall automatically lapse.

15. If the industry is closed temporarily at its own, they shall inform the Board and obtain permission before restart of the unit.

16. The industry shall comply all the Directions/ Rules/Instructions issued from time to time by the Board.

**Specific Conditions :**

- (i). Unit will run & maintain PCD properly & regularly.
- (ii). Unit will apply for renewal of CTO before 90 days of expiry of this CTO.
- (iii). Unit will comply with notification /guidelines/norms issued by any competent authority.
